About Me

As a budding web developer, I am driven by a deep passion for this dynamic field. Despite my limited experience, my boundless enthusiasm, creativity, and determination to learn set me apart. I am eager to embark on this internship to absorb knowledge, contribute fresh perspectives, and grow exponentially.

Experience

Diligenttek 2022 - 2023

On page SEO Specialist

My primary responsibilities include conducting comprehensive keyword research to identify strategic opportunities for optimization. I collaborate closely with content creators, providing valuable insights and guidance to optimize web pages, meta tags, headers, and URLs, ensuring that each element aligns with targeted keywords.

Digilaxy 2021 - 2022

Content Writer

My duty included writing Blogs, Landing page contents, Testimonials, Video Scripts and Social Media Posts.

Freelancing

Web Designer and Web Developer

Worked with several International clients and deployed optimized websites Like Custom e-commerce sites, Custom Web application, WordPress Sites, Shopify Stores, and Designs

Education

2023

Mohammad Ali Jinnah University

Bachelors In Biosciences (Biotechnology)

2023 (In progress)

Institute of Cost Management Accounting (ICMA)

CMA
